And if this Rule shall be suspended or modified as aforesaid the promoters of any Private Bill which is presented after the time hereinbefore limited, or for which the Petition has been received after the time hereinbefore limited, shall in either case pay double the fees required as herein mentioned, unless the House shall order to the contrary. DOMINION ORDERS IN COUNCIL.

(Ref. 749,764.)

AT THE GOVERNMENT HOUSE AT OTTAWA,
Saturday, the 3rd day of January, 1903.

PRESENT:

HIS EXCELLENCY THE GOVERNOR-GENERAL
IN COUNCIL.

ON a Memorandum, dated 26th December, 1902, from the Minister of the Interior, stating that in the years 1892 and 1893, Messrs. John Mounce, John Morrison, Donald McLean, and the Corporation of the City of Vancouver, B.C., purchased at the rate of \$5 per acre certain fractional portions of land in Sections 4, 5 and 8, Township 40, New Westminster District, for the purpose of rendering them fit for cultivation by dyking, portions of the lands so purchased were subsequently released by the purchasers, being required in connection with the Coquitlam Dyke. Part

payments have been made by the purchasers, and it has been represented to the Minister of the Interior that, owing to the fact that the work of dyking has been far more expensive than originally contemplated prior to the high water of 1894, and that much expenditure will still be required for under-draining the lands, it would be fair and reasonable to reduce the price to be paid by the purchasers.

The Minister, on the advice of the Agent of Dominion lands at New Westminster, recommends that he be authorised to issue patents to the purchasers on completion of the purchase money at the reduced rate of \$2.50 per acre, the particulars in each case being as follows:—

John Mounce, legal subdivisions 15 and 16 of Section 5, and fractional legal subdivision 13 of Section 4, Township 40, East Coast Meridian, 76.20 acres.

John Morrison, that portion of the south-east quarter of Section 8, lying south of the DeBoville Slough and east of Slough No. 6, in Township 40, East of the Coast Meridian, 60.25 acres.

Donald McLean, that portion of the south-east quarter of Section 8, lying north of the DeBoville Slough and west of Slough No. 6, in Township 40, East Coast Meridian, 59.50 acres.

Corporation of the City of Vancouver, the fractional south-east quarter of Section 5, Township 40, East Coast Meridian, 65 acres.

The Committee submit the same for approval.

ja22 JOHN J. McGEE,
Clerk of the Privy Council.

(Ref. 435,790)

AT THE GOVERNMENT HOUSE AT OTTAWA.

Tuesday, the 23rd day of December, 1902.

PRESENT:

HIS EXCELLENCY THE GOVERNOR-GENERAL
IN COUNCIL.

WHEREAS by section 51 of an Act to amend and consolidate The North-West Irrigation Acts of 1894 and 1895, assented to on the 13th June, 1898, it is provided that the Minister of the Interior may make such Orders as are deemed necessary from time to time to carry out the provisions of this Act, according to their true intent or to meet any cases which may arise and for which no provision is made in the Act;

And whereas under the provisions of this section of The Irrigation Act the Minister of the Interior did, on the 1st July, 1898, prescribe certain regulations and forms which provided, among other things, for the granting of free right of way for any irrigation ditch or canal, or for the works in connection therewith, through any and all lands the title to which is vested in the Crown, and for the leasing at an annual rental of one cent an acre of Crown lands forming sites suitable for ponds, basins and reservoirs for the storage of water for irrigation purposes;

And whereas applications have been made for right of way through Dominion Lands in the Province of British Columbia for irrigation ditches, and also for lands for reservoir sites, and as the Act above referred to applies only to the North-West Territories of Canada,—

Therefore the Governor-General in Council, in accordance with and by virtue of the provisions of sub-section 4 of section 1 of chapter 56 of the Revised Statutes of Canada, is pleased to order and doth order that the regulations governing the granting of free right of way for irrigation ditches and for leasing lands for reservoir sites, prescribed on the first day of July, 1898, before referred to, be made to apply also to Crown Lands situated in the Railway Belt in the Province of British Columbia.

fe5 JOHN J. McGEE,
